WELCOME FROM THE CHAIR

It is my great pleasure to welcome you to the PIPA Summit 2026, a defining milestone for our community. As our first ever two-day Summit, it reflects the growth of PIPA and the increasing professionalism, depth, and ambition of the property investment advice sector.

This year's program has been thoughtfully designed to challenge perspectives, inspire new thinking, and deliver practical insights you can apply with confidence. Across these two days, you will hear from leading voices in economics, leadership, and property, each bringing valuable expertise to support you in an evolving and complex sector.

PIPA exists to elevate standards and support a professional, ethical industry. Events like this strengthen our community and foster meaningful connections. I hope you leave inspired, connected, and ready to make an impact.

Warm regards,
Cate Bakos
